SPECIALISING IN SCIENCE AND SPORT

ADMISSIONS POLICY – 2025/26

Year 7 Admissions Policy

The school will admit 250 students each September for this age group. Where applications for admission exceed the number of places available, the following criteria will be applied, in the order given, to determine which children to admit:

1. Looked After Children (LAC), Previously Looked after Children (PLAC) and Children Previously Looked after from outside England (IPLAC).
2. Children with a sibling attending the school at the point of application.

A relevant sibling is a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family unit, in the same family household and address, who attends Great Baddow High School at the point of application. Biological and adopted siblings who attend Great Baddow High School in any year group, will also be treated as siblings, irrespective of place of residence. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings. In the case of twins or triplets, both or all will be offered places.

3. Children of staff at the school where the member of staff has been employed for a minimum of two years at the time of application, or where a member of staff is recruited to fill a vacancy for which there is a demonstrable skill shortage.
4. Children living in the priority admission area; children attending a primary school within the priority admission area (Beehive Lane, Larkrise, St. Michael's, Meadgate); plus, children attending Barnes Farm, Chancellor Park and St. Andrew's, Hatfield Peverel.

Within this criterion, children will be ranked by proximity of home to school by straight line distance, those living nearest being accorded the higher priority. (Straight line distances are calculated by Essex County Council).

5. Up to 10% in each year group who demonstrate an aptitude for sport. To apply for a place under this criterion, the school's Supplementary Information Form (SIF) must be completed.

If you qualify for criterion 1, 2, 3 or 4 outlined above, you do not need to apply for the sports selection day.

6. All remaining applications by proximity of home to school by straight line distance, those living nearest being accorded the higher priority. (Straight line distances are calculated by Essex County Council).

Parents have the right to appeal against admission decisions to an Independent Appeal Panel established under statutory regulations for this purpose. (See Essex County Council Secondary Education in Essex booklet for details).

The waiting list from the Local Authority will be kept until the end of the Autumn term only, then the school will maintain a waiting list for the remainder of the year.

Tours of the school for Year 6 parents take place throughout September/October. Please contact the school for an appointment.

3. External students who have submitted their application form by the published deadline and meet the minimum entry criteria for the courses that they wish to follow. Students will be ranked based on their KS4 results (total points score for best 8 subjects (including Maths and English) and places will be offered in this rank order in the event there are places only for a proportion of students in this group meeting the criteria for 6th form entry.
4. Students who have submitted their application after the published deadline and meet the minimum entry criteria for the courses that they wish to follow. Late applications meeting the minimum entry criteria will be considered in chronological order.

A waiting list will be maintained by the school should it be required.

The school will endeavour to meet the needs of all students; however, the school reserves the right to not run a subject that was initially offered if the final uptake for that subject is not viable following GCSE results day.
